

## Criteria - Quality Assured seal for visitor attractions

### Part 1 - Minimum Entry Requirements

Attractions will need to comply with all the minimum entry requirements.

	Minimum Entry Requirements	Compliant (Y/N)
1	The attraction must have adequate cover for third party liability.	
2	The attraction operates at minimum 20 hours per week, spread over at least 3 days.	
3	The attraction has a functional website that contains at minimum the following features: General info about the attraction, Opening hours, Prices, Directions, Languages and Contact details.	
4	Brochures must also contain the above-stated information OR The attraction commits to including the above-stated information in future brochures.	
5	The website must additionally contain a detailed Access Statement.	
6	Front-line staff must be adequately trained.	
7	The attraction collects, reviews and takes action on visitor feedback.	
8	Compliance with the Malta Travel and Tourism Services Act and subsidiary legislation (where applicable).	
<b>100% COMPLIANT (Y/N)</b>		

### Part 2 - Quality Criteria (priority areas)

In this section the attraction will be rated using the following scale:

- 1 point for poor quality
- 2 points for acceptable quality
- 3 points for good quality
- 4 points for very good quality
- 5 points for excellent quality

Cells with a grey background indicate that 'poor' and 'acceptable' quality are not accepted as a sufficient level of quality in order to obtain the Quality Assured seal. Therefore in this section attractions will need to obtain a minimum score of 3 points per criterion, with the exception of one criterion which may be given a rating of 2 points. 1 point (poor quality) is not accepted.
